Sport Relief 2014

This year, we are really excited to be raising money for Sport Relief 2014! We have decided that on Friday 21st March we will help raise money.

Dressing up: Children and staff are encouraged to dress up as the 118 characters and bring in a 50p donation.

Sports Medley: Each year group will have the opportunity to take part in a range of sporting events on the school field. Each sporting stall will cost no more than 10p to take part. Certificates will be award to the winners of each sporting stall. N.B. Children will need to have their full PE kit in school on that day.

Miss Cush & Miss Caudwell

Let’s Grow

As Spring time is finally here and the sun is beginning to shine more often (and thanks to your fantastic contributions of Morrison’s vouchers), we thought it was about time we started gardening. Today, children have been planting seed potatoes. Each class will have their own growbag. Children will need to research how often they need to water them and how best to care for them.

The following week we will be launching our ‘Great Sunflower Competition’. Each class will be competing against each other to grow the largest, and most impressive, sunflower!

Keep an eye on our year groups’ blogs for updates and photos!

Maths Brain Buster

Well done everyone who came and got 5 house points for solving the last Brain Buster. It is another multiplication grid this week. When you complete it, get an adult to sign your diary and then show it to me. Up for grabs this week for everyone who shows me is a special maths prize! Good luck!

This week, there has been the most amazing buzz around school as children have completed round 1 of our Spelling Bee! Every teacher has been thrilled with the determination and commendable effort that children have put into learning their words. Well done to each and every pupil and thank you so much to our wonderful parents for your support in learning the word lists!

The following children achieved the highest scores in their literacy sets:
