**SATS Results and Year 6 Parents' Evening**

Our Year 6 externally marked SATs results have been received this week. We are delighted to share with parents the information below which provides a comparison between the attainment of Year 6 pupils in our school and with other Year 6 children across England. We are so proud of all our Year 6 children and thank them for their determination and commitment to achieving their very best. Well done Year 6!

Year 6 reports have been sent home today and an optional Year 6 Parents' Evening will take place on Wednesday 18th July should parents wish to discuss the report further.

Prize Night Tickets

This year’s prize night will take place on **Tuesday 17th July 2018** from 6:30pm at The Venue. Of the total tickets that have been issued for this year’s Awards Ceremony, 289 people have indicated that they intend to use their ticket. In addition, we have had 71 requests for extra tickets. As we are already near the maximum capacity for ‘The Venue’, which includes both adults and siblings (even those that will sit on an adult’s lap), **we are regrettably unable to fulfil all of these requests**. As it is the Year 6 pupils’ last year at Stocksbridge Junior School, we have taken the decision to assign the small number of spare tickets to the families of Year 6 award recipients.

Please ensure that each member of your family (excluding the award recipient) has their ticket with them on the evening as these will be checked on arrival. Award recipients also need to be wearing school uniform.

Uniform

We have recently noticed a number of children wearing items of clothing which are not in line with our uniform policy. Children are required to attend school each day wearing the correct school uniform (with the exception of pre-planned non-uniform days).

If your child requires new uniform items ready for the new academic year, please ensure you have placed your order online by 12th August 2018 to ensure delivery to your home address before the beginning of September.

Each day, children need to wear to school:

- A school sweatshirt/cardigan - Navy blue embroidered with the school logo.
- A polo shirt - Navy blue or white either embroidered with or without the school logo.
- Trousers/shorts/skirt/pinafore - Plain navy blue or black. (N.B. It is preferred that trousers are worn rather than tracksuit bottoms. If parents choose for their child to wear jogging bottoms, they must be plain black or navy blue, i.e. no stripes. Jeans/Deim clothing (including skirts and shorts) and leggings are not permitted.)
- Footwear - Dark sensible footwear, this may include trainers but not high heeled shoes.
- Indoor Footwear - Children should change into pumps/plimsolls/slippers before entering their classrooms.

It is our uniform policy that our pupils take pride in their appearance, which includes wearing t-shirts tucked in.

Children are not permitted to wear make-up or any jewellery other than a small pair or stud earrings and a watch if they wish.

After School STEAM Club

Junior FabLab is an exciting after school club coming to Stocksbridge Junior School in September. FabLab is designed to get children excited about Science, Technology, Engineering, Art, Mathematics & making (STEAM). We bring together experienced scientists, engineers and teachers to run hands-on workshops and activities to inspire children in Science and learn about how things work. Each session will focus on either: an experiment, a challenge or a making activity, including things like rocket science, chemistry, electronics, K’NEX and Lego.

Junior FabLab will start on Wednesday 12th September for 7 weeks and will run from 3.15 – 4.15pm. Places are limited to 20 children and cost £5 per session, which includes the cost of specialist materials and equipment.

If you would like your child/children to join Junior FabLab, please book online at www.steamworks.org.uk.

Y6 Leavers’ DVD

Our Y6 Leavers’ DVD will be on sale at the Y6 Leavers’ Assembly next week. The DVD contains two films and costs £3 per DVD.

Photographs from the Y5 and Y6 Residencies

Photographs from our recent residential trips to London and Robinwood will be available for parents to download next week. Parents of children who attended these trips will receive a link to via email.

Addresses

Several of our prize night invitations have not been delivered to our families recently as we did not have the up-to-date postal address on our system. It is imperative that we have accurate contact details for our pupils and their parents. Please ensure you inform us of your new address when you move house.
**LOST PROPERTY**

One day next week, all lost property will be laid out in the hall for children to reclaim any misplaced items. Once all classes have had this opportunity, remaining unnamed items will be donated to the Friends of SJS for their preloved uniform sale or given to charity.

**CHILDREN’S UNIVERSITY**

The Children’s University Passport to Learning newsletter which includes details of activities happening across Sheffield during the Summer holiday is now available and has been shared with our families via ParentMail. As well as the fantastic FREE Festival of Fun, Learning Destinations are also delivering lots of fabulous activities right through the summer, where you can collect CU credits.

Children and young people who take along a Passport to Learning to all the activities listed in the newsletter will be able to earn additional CU credits at these activities. These are available from Sheffield libraries, and some Learning Destinations across the city. There’s also an up to date list and contact details of the validated Learning Destinations. You can also find further details about activities on the blog: www.sheffieldcu.blogspot.com.

**Y4 MAKE THE NEWS**

At the beginning of the year, Year 4 had the opportunity to engage in an exciting newspaper project with The Star newspaper called Make The News. The children created front covers for The Star newspaper and they were judged by the Editor (Nancy Fielder). Excitingly, three of our children won an award. Coen Quinton, Laura Nikiel and Evie Wilkinson all received a personalised certificate from the Editor and she came to visit the whole year group last Friday. A reporter and a photographer came in to celebrate the children’s wonderful work too. As a year group, The Star newspaper were so impressed with the front cover ideas that had been created, we also received a year group trophy that we have already placed in the school trophy cabinet! Well done, Year 4.

**LAST DAY**

Children are welcome to bring board games into school next Friday to play with their classmates in the afternoon. (No electronic devices, please.)

Year 6 children may bring an additional t-shirt/polo shirt or autograph notebook to sign on Friday.

**EVENTS COMING UP SOON...**
