SJS STARS OF THE WEEK

- Y3AW: Lilly-Mai Walker
- Y3KT: Archie Jowitt
- Y3RD: Oscar Sulikowski
- Mr Tee: Alana Cooke
- Y4JJ: Tao Pawson
- Y4RL: Myles Grocock
- Y4SS: Miley Moss
- Y3/4 Yard: Leighton Morley
- Y5CS: Tate Bond-Rothwell
- Y5DW: Thea Stavert-Dobson
- Y5HK: Alexandra Franco
- Y5/6 Yard: Jessica Leary
- Y6CP: Jay Grist
- Y6ER: Olivia Westwood
- Y6MC: Dainton Butler
- Dining-Hall: Leah Savage

THIS WEEK’S CLASS ATTENDANCE

Y3AW: 89%
Y3KT: 95.7%
Y3RD: 96.9%
Y4JJ: 95.8%
Y4RL: 97.5%
Y4SS: 98.3%
Y5CS: 92%
Y5DW: 99.2%
Y5HK: 96.1%
This week’s whole school attendance = 94.9%

ANTI-BULLYING WEEK

The theme for this year’s Anti-Bullying Week is to choose respect over bullying. The aims of this week are to help children, school staff, parents and other professionals who work with children to understand:

- The definition of respect
- That bullying is a behaviour choice
- That we can respectfully disagree with each other i.e. we don’t have to be best friends or always agree with each other but we do have to respect each other
- That we all need to choose to respect each other both face to face and online

On Monday we are very pleased to be welcoming the ‘Be Internet Legends’ roadshow to school. The interactive assembly talks through the important Be Internet Legends pillars – to be Sharp, Alert, Secure, Kind and Brave.

Also on Monday, we will be holding an odd socks day for Anti-Bullying Week again this year. There is no cost for this and we would love all children to take part.

In addition, this week, we will be sending home a booklet called ‘Say No to Bullying’ - a handbook for parents written by educational psychologist, Dr Julie Casey. We have purchased a copy of this booklet for each family in school to help promote awareness and appropriate discussions about at home. We hope parents find this a useful and informative document.
As soon as children have read thirty times at home, they may visit Mrs Ross to collect their postcard. Children who have already reached their first destination may set off on their journey to their second destination from Monday 5th November.

**DO YOUR THING FOR BBC CHILDREN IN NEED**

On Friday 16th November 2018 we will be encouraging children to 'Do Their Thing' by coming to school dressed in a way that tells everyone something about them! Perhaps it may be dressing as a favourite book character, sportsperson or even dressed head-to-toe in their favourite colour. Whatever it is, we cannot wait to see it! To join in the fun, please bring £1 on the day.

Our wonderful Friends of SJS and School Council Representatives will be holding bake sales in the school hall on the day. Parents are warmly welcome to join us from 8:30am until the start of the school day for our Children in Need Coffee Morning. There will also be a bake sale for children during morning break. Your contributions of cakes and buns to sell would be greatly appreciated.

**ROAD SAFETY WEEK**

Road Safety Week (19th-23rd November 2018) is the UK's biggest road safety event, coordinated annually by Brake, the road safety charity. Road Safety Week aims to inspire thousands of schools, organisations and communities to take action on road safety and promote life-saving messages during the week and beyond.

This year’s theme is 'Bike Smart'. Stocksbridge Junior School will be promoting this vitally important event with class-based activities and a visit from Dr Bike. Please see the letter that your child brought home today for more details on the Dr Bike session. There will also be an exciting poster competition in school which will be announced in the Celebration Assembly on Friday 16th November 2018.

**HALLAM FM’S CASH FOR KIDS FUNDRAISING**

We have teamed up with Hallam FM to raise as much money as we can for exciting new school projects. Hallam FM have pitted us up against 19 other schools to find the top fundraiser of the bunch. The school that raises the most money will win £5000 with schools finishing between 2nd and 6th place receiving £1000 each. How can you help? Please keep supporting our fundraising efforts and keep an eye out for fun fundraising events happening soon.

**Y4 SWIMMING**

For children in Y4JJ and Y4RL, who are not going to Whitby, their swimming lesson on Wednesday 14th November will still be going ahead. All the children in Y4, (including Y4SS) who are not going to Whitby, will be taking part in the lesson. Please ensure that if your child is in Y4SS, the permission slip is brought back to school by Monday 12th November. All children will be back at school by 3:10pm so there will be no late collection next week.

**SHEFFIELD TO HAVE SEND PROVISION INSPECTED**

From 12th to 16th November 2018, Ofsted and the Care Quality Commission (CQC) will visit Sheffield to find out how effectively the local area meets its responsibilities to children and young people aged 0-25 years who have special educational needs and/or disabilities (SEND).

Please visit https://sheffieldparentcarerforum.org.uk/news/sheffield-is-being-inspected/ to see how parents can submit their views to the inspectors.

**SHOE BOXES**

Year 6 will shortly be undertaking an exciting electricity project in their Science lessons. We are being provided with lots of free resources and will need somewhere for each group to store them. If anyone has any spare shoe boxes, we would be grateful if you could hand them to the office or to one of the Year 6 teachers. Thank you!
Bolsterstone Fayre

On Saturday 17th November, Stocksbridge Junior School Choir will be performing at The Bolsterstone Christmas Fair at 11:45am. We would love you to come along and support us!

After School STEAM Club

Junior FabLab is an exciting after school club coming back to Stocksbridge Junior School in a couple of weeks’ time. FabLab is designed to get children excited about Science, Technology, Engineering, Art, Mathematics & making (STEAM). We bring together experienced scientists, engineers and teachers to run hands-on workshops and activities to inspire children in Science and learn about how things work. Each session will focus on either: an experiment, a challenge or a making activity, including things like rocket science, chemistry, electronics, K’NEX and Lego. Junior FabLab will start on Wednesday 21st November for 4 weeks and will run from 3:15 until 4:15pm. Places are limited to 20 children and cost £5 per session, which includes the cost of specialist materials and equipment. Please note that these sessions will be a repeat of last half term’s sessions so are suitable for children who have not done the club before.

If you would like your child/children to join Junior FabLab, please book online at www.steamworks.org.uk.
