BOOK MILLIONAIRES

In school, children use Accelerated Reader to take quizzes on books that they have read and this system records the word count of all quizzes passed. This means that Reading is not only enjoyable, but also competitive this year, with each class vying to achieve the highest word count each week and receive a class prize. Children also strive to increase their individual word count and enjoy seeing this grow throughout the school year as they take more quizzes. When pupils reach 1 million words, a fantastic achievement, they become Word Millionaires! Currently, we have 10 children in school who have achieved this status. Well done to the following pupils!

Natalya Withers
Flynn Rogers
Rose Gilder
Benjamin Harper

Ruby Dalby
Emma Tompkin
Tobias Little (multi-millionaire!)
Joe Walker
Oscar Parsons
Heidi Davies

Parents are able to access information regarding their child's Reading quizzes using their Home Connect log in. If you do not have the log in details for this and would like it, please contact your child's class teacher.

WORLD BOOK DAY

Next Thursday, it is World Book Day. We will be celebrating our love of Reading by participating in different book-related activities, dressing up and taking the opportunity to share a story with someone else. All children will take home a £1 book token, which can be taken to your local bookseller and swapped for one of the 12 free World Book Day books. Or, they can be used to get £1 off any full price book instead.

To celebrate World Book Day, children are invited to come to school dressed up as a book character. This is entirely optional, there is no charge for dressing up and no need to go out and purchase costumes.

GIRLS' FOOTBALL

The girls' Year 6 football team played in a round robin competition this week against teams from Shooters Grove, Oughtibridge and Deepcar. The team have been working hard under the coaching of Mrs Foster and are really starting to make progress, with some of the girls now playing for teams outside of school. After a couple of players being unavailable at the last minute, we had to call up additional players. Thank you to the amazing Jenny from the Y5 team who played in her first ever game. She was outstanding - as were the rest of the team who improved in every game played. We came up against some really tough competition and the standard of girls football in the local area is incredibly high. We started with a well battled 1-0 win against Deepcar but both the other two school proved too strong on the day. The player of the competition was Olivia for her tough tackling strong play but every member of the team did themselves proud. Well done team!
