SJS Stars of the Week

- Y3AW: Jael Murama
- Y3KT: Anna Montgomery
- Y3RD: Emilia Lakin
- Y4JJ: Josh Rees
- Y4RL: Kasey Boltwood
- Y4SS: Natayla Watson
- Y5CS: Euan Powell
- Y5DW: Max Holford
- Y5HK: Summer Price
- Y6CP: Cole Button
- Y6ER: Enzo Richmond
- Y6MC: Harry Wainwright

Mr Tee: Alec Woodcock-Simms

Y3/4 Yard: Matilda Robins
Y5/6 Yard: Sidney Godley

Dining-Hall: Alfie Ferguson
Mrs Saville: Erin Fox

This Week's Class Attendance

- Y3AW: 98.5%
- Y3KT: 97.4%
- Y3RD: 99.7%
- Y4JJ: 97.6%
- Y4RL: 93.8%
- Y4SS: 99.4%
- Y5CS: 93.9%
- Y5DW: 96.7%
- Y5HK: 97%
- Y6CP: 98.2%
- Y6ER: 96.7%
- Y6MC: 98.5%

This week’s whole school attendance = 97.3%

Reading Around the World

- Y3 - London: Charlie Butcher
- Y3 - Paris: Eve Horsfield, Brandon Pilgrim, Darcy Tshibangu, Lilly-Mai Walker
- Y3 - Madrid: Jessica Proctor, Mason Walker, Zoe Parsons
- Y6 - Lima: Jessica Siddall

Word Millionaires

Congratulations to the following children who have been added to our roll of Word Millionaires:

Jack McGrail, Lucas Hague, Scarlett Durkin, Benjamin Harper

Extra-Curricular Clubs for Next Half Term

Letters for the new extra-curricular clubs for next half term have been sent home this week via ParentMail. The timetable below represents a ‘typical’ week next half term. Please see the relevant letter for the specific dates a club will run.

**Easter Disco**

Our Easter disco will take place on Wednesday 27th March, 4:30-6pm. Tickets are available from the school office for £3.00. Please ensure that your child has purchased a ticket and returned their permission slip prior to the disco as children will not be able to pay on the door.

**Lost Property**

We currently have mountains of lost property in school. Our wonderful FoSJS have made a small dent in sorting lost property items but, unfortunately, the vast majority of items do not have names in so are very unlikely to be reunited with their owners. These items will be washed and spruced up ready to be sold in our 'Pre-loved Uniform Pop-Up Shop' on Thursday 2nd May 2019, 2:45 - 4:00 pm.

Non-uniform items without names will be donated to charity if not collected before Friday 29th March 2019. If you have something currently missing, please pop in for a rummage before then.

**Comic Relief - Red Nose Day**

Thank you to all children who participated in our Comic Relief activities last week. We raised an amazing £321.48 for this fantastic cause.

**Appreciation Day Pop-Up Shop**

This week saw the first of our Pop-Up Shop events and we are pleased to announce it was a great success. Thank you to all children who came along to buy a gift for someone special and to our FoSJS and School Council volunteers for all their help. We raised a very respectable £235 and we are looking forward to our next Pop-Up event on Thursday 2nd May 2019.

**After School STEAM Club**

Junior FabLab is an exciting after school club coming back to Stocksbridge Junior School in April. FabLab is designed to get children excited about Science, Technology, Engineering, Art, Mathematics & making (STEAM). We bring together experienced scientists, engineers and teachers to run hands-on workshops and activities to inspire children in Science and learn about how things work. Each session will focus on either: an experiment, a challenge or a making activity, including things like rocket science, chemistry, electronics, K’NEX and Lego.

Junior FabLab will start on Wednesday 24th April for 5 weeks and will run from 3:15 until 4:15pm. Places are limited to 20 children and cost £27.50 for the five sessions, which includes the cost of specialist materials and equipment. The activities that children will be doing are new, so previous attendees are very welcome to book a place.

If you would like your child/children to join Junior FabLab, please book online at [www.steamworks.org.uk](http://www.steamworks.org.uk) or, if you have any questions, please contact Helen Bell on 07876705823.

**Fittest Primary School Event**

Jordan from Xcite Sport and Fitness was in school this week to see if we are the fittest Primary School in South Yorkshire. We choose Y5 children to be the sample group and represent the school in this physically demanding challenge. The session had some exciting games to get the children in the mood and get their bodies ready for the competition. The event consisted of body exercises such as burpees, the speed bounce, sit ups etc. with a 100 metre sprint in between each set of exercises, testing the cardiovascular system. The children were very competitive in true SJS style and gave everything to the competition.
Cross Country

Full credit to the cross country team and their amazingly supportive parents for turning out in numbers again at Race 8 of the season. Graves Park is always looked upon at the finals where all the top schools and club runners compete for the chance to go to the South Yorkshire Champs. The hills are steep and the distances are increased to really challenge the athletes. Team Stocky did themselves proud with some excellent performances. Well done to every child that has taken part in any of the eight races this season on some very cold Saturday mornings. We look forward to starting it all over again in the winter of the next school year. A massive thank you to all our parents and grandparents who took time out of their weekend to support our team. An amazing effort!

Children’s University

The Children’s University Passport to Learning newsletter, which includes details of activities happening across Sheffield during the two-week Easter holiday, has been shared with our families via ParentMail. Children and young people who take along a Passport to Learning to all the activities listed in the newsletter will be able to earn additional CU credits at these activities. These are available from Sheffield libraries and some Learning Destinations across the city. You can also find further details about activities on their blog: www.sheffieldcu.blogspot.com.
What parents need to know about WhatsApp

AGE LIMIT CHANGE
Since May 2016, the minimum age for using WhatsApp is 16 years old if you live in the European Union, including the UK. Prior to this, the minimum age was 13, which still applies for the rest of the world. WhatsApp has not yet stated whether it will take action against anyone who sets their age to 13 and is already holding accounts under the old terms and conditions, such as closing their account or seeking parental permission.

SCAM MESSAGES
Occasionally, on WhatsApp, people receive spam messages or unsolicited third-party messages or messages from users who are not trusted. WhatsApp suggests integrating spam messages, including actions that can be taken to stop them. The instructions include forwarding the message in return for a reward or gift from WhatsApp or another person.

FAKE NEWS AND HOAXES
WhatsApp has been linked to spreading the spread of dangerous viral rumours. In India, for example, a number of attacks appear to have been caused by false rumours shared on WhatsApp.

THE 'ONLY ADMIN' FEATURE AND CYBERBULLYING
Cyberbullying is the act of sending threatening or insulting text messages, voice messages, pictures, and videos, with the intent to harm and humiliate the receiver. The group chat and group video call features are great for multiple people to chat simultaneously, but there are the potential for people to hurt others with their comments or posts. The 'only admin' feature gives the admin of a group chat greater control over who can send messages. WhatsApp shows that this can be used for one-way announcements, the group admin has the power to block somebody from responding to an offensive message in a chat, which could result in a child being upset and unable to reply.

CONNECTING WITH STRANGERS
To start a chat on WhatsApp, you need to know the mobile number of the contact you want to speak to, and they also need to have the app downloaded. WhatsApp can find contacts by accessing the address books of both a device and remembering which contact numbers are using WhatsApp. If your child has shared their mobile number with some; body they don’t know, they can be put in touch via WhatsApp.

LIVE LOCATION SHARING
WhatsApp’s ‘Live Location’ feature enables users to share their current location in real time to their contacts in a chat, allowing friends to show their movements. The feature, which can be found by pressing the 'Attach' button, is described by WhatsApp as a ‘simple and secure way to let people know where you are.’ Location-sharing is already a common feature on other social media platforms, including Snapchat’s Snap Map and Facebook Messenger.

NATIONAL ONLINE SAFETY
CREATE A SAFE PROFILE
Even though everyone would want their child’s phone number to add them as a contact, as an extra security measure we suggest altering their profile settings to control who can see their profile photo and status. The options to choose from are: everyone, ‘My Contacts’ and ‘Nobody.’ We suggest selecting ‘My Contacts’ or ‘Nobody’ to ensure their profile is protected.

EXPLAIN HOW TO BLOCK PEOPLE
If your child has received spam or offensive messages, calls or attachments from a contact they should block them. Messages and status updates can be blocked by selecting the contact’s profile picture and tapping “Block.” Blocking someone will not remove this contact from the contact list they will need to be removed from the phone’s address book.

REPORT SCAM MESSAGES
Advise your child not to tap, share or forward any message that looks suspicious or contains links to good or bad. When your child receives a message from an unknown number for the first time, they should not be hesitant to report the number straightaway. They can also report a contact or a group to spam using the following steps: 1) Open the chat. 2) Tap on the contact or group name to open their profile information. 3) Scroll to the bottom and tap ‘Report Spam.’

DELETE ACCIDENTAL MESSAGES
If your child has sent a message to the wrong chat or if they have sent a message in a group chat, they can delete it. To do this, simply tap and hold on the message, choose ‘Delete’ and then ‘Delete for everyone.’ The app allows several minutes to delete the message after it has been sent, but it is important to remember that recipients may have seen and screenshot a message before it was deleted.

TOP TIPS FOR PARENTS
SET TIME LIMITS
A 2017 study found that by the age of 14, an average child will have sent more than 35,000 texts, 30,000 WhatsApp messages and received more than 25,000 texts, WhatsApp messages and video calls. Although it is inevitable that your child will use technology, you can still set boundaries. This is not easy, especially since teens use their devices for both schoolwork and free time, often simultaneously.
Raring to Go Holiday Activity Camps

1st, 2nd, 8th & 9th of April 10am - 3pm

SUPPORTED BY CHILDREN IN NEED

At Goals Sports Centre, Norfolk Park Rd, Sheffield, S2 2RB

For a Fun-filled Holiday, BOOK YOUR FREE PLACE NOW!

TO BOOK PLEASE RING 07738511342

Booking form to be brought to first day of camp
