SJS STARS OF THE WEEK

- Y3AW: Jessica Proctor
- Y3KT: Ewa Sobczak
- Y3RD: Lily-Rose Haigh
- Y4JJ: Benji Conway
- Y4RL: Courtney Brook-Davids
- Y4SS: Miley Moss
- Y5CS: Chloe Booth
- Y5DW: Jack McGrail
- Y5HK: Olivia Eaton
- Y6CP: Marshall Leeks
- Y6ER: Ajsha Prince
- Y6MC: Harry Wainwright

Mr Tee: Calais McCoid
Mrs Foster: Lexie Titman

Y3/4 Yard: Oliver Green
Y5/6 Yard: Scott Morris

Dining-Hall: Madison Fletcher

THIS WEEK'S CLASS ATTENDANCE

Y3AW: 95.4%	Y4JJ: 97.6%	Y5CS: 96.5%	Y6CP: 94.7%
Y3KT: 95.2%	Y4RL: 94.1%	Y5DW: 95.8%	Y6ER: 91.2%
Y3RD: 96.8%	Y4SS: 93.2%	Y5HK: 93.3%	Y6MC: 100%

This week's whole school attendance = 95.3%

SCHOOL GAMES MARK GOLD

Our School Games Mark application has now been finalised and we are happy to announce this year our school has achieved the Gold award! This award is based on the high standard of Physical Education and Sport in lessons, extra-curricular clubs and competitions. Mrs Foster and Mr Tee would like to thank parents/carers for their continued support in encouraging their children to attend extra-curricular clubs and competitions.

PRIZE NIGHT TICKETS

This year's prize night will take place on **Thursday 11th July 2019** from 6:30pm at The Venue. Of the total tickets that have been issued for this year's Awards Ceremony, 273 people have indicated that they intend to use their ticket. In addition, we have had 63 requests for extra tickets. As we are already near the maximum capacity for 'The Venue', which includes both adults and siblings (even those that will sit on an adult's lap), **we are regrettably unable to fulfil all of these requests.** As it is the Year 6 pupils' last year at Stocksbridge Junior School, we have taken the decision to assign the small number of spare tickets to the families of Year 6 award recipients.

Please ensure that each member of your family (excluding the award recipient) has their ticket with them on the evening as these will be checked on arrival. Award recipients also need to be wearing school uniform.

SUMMER DISCO

We will be holding our Summer disco on Wednesday 17th July from 4:30pm until 6:00pm.

Tickets will be available next week for £3.00. If your child would like a ticket, please send £3.00 in a labelled envelope. Please ensure that your child has purchased a ticket and returned their permission slip in advance of the disco as children will not be able to pay on the door.

A vibrant summer-themed poster for a school disco. The background is a bright blue sky with a white lifebuoy at the top center. To the left, there are colorful beach balls in shades of red, green, yellow, and purple. To the right, there are green palm fronds. The word 'Summer' is written in a large, red, cursive font across the top. Below it, the text 'School's Out Summer Disco' is written in a black, cursive font. The date 'Wednesday 17th July 2019' is in a bold blue font, followed by the time '4:30PM - 6:00PM' in a bold blue font. Below that, 'Refreshments Available' is written in a red, cursive font, and '£3.00 Per Ticket' is in a red, cursive font. At the bottom, the school name and contact information are in a black, sans-serif font. The entire poster is framed by a black border.

HEAD LICE

We have had reports of head lice in Year 5. Please check your child's hair and treat, if necessary.

BEE FESTIVAL

We had an 'un-bee-lievable' day at Ashbrow Beekeeping Festival. The children, who took part in the event, were a credit to our school, showing enthusiasm throughout the day and being open to trying new things. We began our visit by exploring the outdoors, finding a selection of wildflowers to create our own bookmarks. Following this, we ventured through the grounds with our minibeast equipment to get a closer look at a variety of insects. We then had some time to relax in a lodge, where we completed some bee puzzles and played some games. Our final activity gave us the opportunity to test our beekeeping skills! We were suited and booted in all our beekeeping gear before entering the apiary for our first hand-on experience with the bees. We loved it and cannot wait for our own bees to arrive!

CHILDREN'S UNIVERSITY

Sheffield Children's University (CU) are thrilled to announce that the CU Festival of Fun which features FREE activities right across the city delivered in the run up to and at the start of the summer holidays is BACK, and BIGGER and BETTER than ever! There are over 40 activities planned for the summer festival including a treasure hunt at Sheffield Hallam University, outdoor theatre, roller hockey, dance, arts and crafts, circus skills, music, fire station visits, martial arts, climbing, gaming and performing arts and much more! Activities and taster sessions are for reception age children upwards, and some are aimed at families taking part together, as well as some activities that are specifically designed for children with special educational needs and disabilities (SEND) and are delivered by specially training staff.

The activities will be FREE to Sheffield children who have a CU Passport to Learning. If you have not got yours yet, you can buy one from Sheffield libraries for just £3.50 each for Festival of Fun and then use it at Learning Destinations across the city moving forward! Many of the activities require booking in advance so families will need to contact the Learning Destinations directly, using the details on the leaflet. However, to give everyone a fair chance, booking will OPEN ON 15th JULY and no bookings will be taken before this date.

The full programme for booking information for all activities can be found on the Festival of Fun leaflet which has been shared with our families via ParentMail.

DOES YOUR CHILD SUFFER FROM ANXIETY?

Do they worry about things more than you feel that they should? Our Educational Psychologist, Nneka, will be hosting a parents' workshop on 18th July 2019 from 2pm until 3:10pm focussed on anxiety, looking at why children worry and some practical ways we can support.

To reserve your place, please call, email or pop into the school office. We look forward to seeing you there.

PRIMARY ENGINEERING

On Tuesday 2nd July, two teams of Year 6 pupils visited the University of Sheffield Advanced Manufacturing Research Centre to take part in a Primary Engineer Competition. The teams had spent many hours creating moving vehicles which could travel in straight lines and climb inclines. The vehicles were imaginatively designed and contained complex pulley systems to power them. Both teams' vehicles (Spy Tree and Jurassic Park) performed incredibly well through all of the challenges and the pupils confidently presented their design portfolios to the judges. Very well done to everyone, especially the Jurassic Park team who came runners up overall in the competition.

VISITING RUGBY COACH

In partnership with the RFU, Stockbridge Junior School was able to take part in a rugby initiative that aimed at getting children playing rugby with their local club. Fully qualified rugby coaches have recently visited school to deliver fantastic and energetic lessons. They developed skills such as passing and receiving and also principles such as attacking and defending. We have since received reports from Stocksbridge Rugby Club that they have had a massive uptake of children attending their training sessions, which is amazing to see. Thank you to Paul and Dave for their efforts and expertise and well done to those children who have given rugby a go at their local club!
